## 20 Years With Heart Trouble

"Dr. Miles' Heart Remedy has cured me of heart disease of over 20 years' standing. I was so bad that I could not do my work, and could scarcely draw a full breath without fainting or smothering. The doctor told me he could do no more for me; then I commenced taking the Heart Remedy. I shall never forget that night. I slept better than I had before in months. I kept right on getting better, until I was perfectly well."

MRS. LAURA RUSSELL, Logan, Iowa.

When the heart action is weak, it fails to pump the blood through the lungs with sufficient rapidity. Then the lungs do not absorb the proper amount of oxygen, although they may be taking in a normal amount of air. The result is shortness of breath, smothering spells, difficult breathing, oppressed feeling in chest. Dr. Miles' Heart Remedy strengthens the heart nerves and muscles, and in this way increases the circulation.

## DO YOU KNOW THAT

There's always one store in every town that pulls just a little harder for your trade than some other store---that appreciates your trade just a little more and offers you just a little better inducements? Certainly you do.

Does it not seem right to yourself that you should buy your goods as cheaply as possible and get full value for every dollar you spend? Certainly so.

Then is it not plain to you that I could not afford to advertise these facts to you and tell you of my methods unless I could make good and prove that I am right.

Think this over and come to my store and see for your self. Let's talk matters over and figure on a bill of goods.

Come and convince your self that my store is a good place to trade.
